Hail Destroys Area Cotton

ESTIMATES RUN AS HIGH AS MILLION DOLLAR LOSS

The worst hail storm this area has ever seen hit here Saturday evening about 5:30 p.m. covering an area about six or seven miles wide and 15 miles long.

Crop damage estimates run as high as a million dollars and insured damage to homes and businesses in Hamlin is estimated to run from \$250,000 to \$300,000.

Saturday's storm followed on the heels of a hail storm Thursday in the Neinda community south of Hamlin that destroyed 500 to 600 bales of cotton.

Word was received here by W. C. Russell of the F&M National Bank that the State Director of Farmers Home Administration of Dallas is sending a field man here to investigate damage done by the storm.

The investigator will be to determine if the area can be declared "Emergency" which will enable the FHA to make loans on a more flexible basis to farmers who suffered loss.

Congressman Omar Burleson wired this information to Russell after he had called Burleson after the storm to see what help would be available.

Burleson also talked with a representative of the President regarding this area being declared "Disaster." To bring this area under the "Disaster" program the Civil Defense Mobilization office in Denton must be notified and he in turn will place facts before the Texas Governor who would have to request the action by the President.

Principal provision is assistance of local governmental bodies to the extent that they cannot finance locally public damage such as sewers, clearing of debris, sanitation facilities, water lines, involving danger to health and public welfare.

Since the city is not faced with this type clean-up problem it is doubtful that this will be approved.

Cotton damage is estimated to run from twenty-five to 100 per cent to 10,000 to 15,000 acres of cotton in Neinda, Hamlin, Tuxedo and Fairview. The Fairview area was hit the hardest.

Some damage to grade in all cotton not harvested was reported.

In Fisher County the benefits of the rain are expected to offset the damage to the cotton not harvested.

The grade of the cotton will be lowered, but the ranges were highly benefited and the stock tanks replenished. No damaging rains were reported in the county, which received an erratic two-inch average.

The official rain report for Hamlin was 2.91 for the period from Saturday through Tuesday, with 1.74 of this falling on Saturday during the storm. Reports of the rainfall from the surrounding area ran as high as five inches Saturday.

Officials at the Farmers Co-op Gin here said that 1,800 bales had been ginned before

C. D. EVERTON TO BE BURIED HERE TODAY

Funeral services will be held today at 3 p.m. at North Central Avenue Baptist Church for Cyrus David Everton, 60, who died at his home, three miles east of Hamlin, at 3:15 p.m. Tuesday.

A resident of Hamlin for nineteen years, he had been ill for a year. The son of Mr. and Mrs. Charlie Everton, he was born September 1, 1900 in Eastland County, he married the former Myrtle Woodall in Eastland September 19, 1926.

The couple moved here in 1941. He was engaged in farming.

Rev. James Wood, pastor of the Palava Baptist Church will officiate for services. The Hamlin Funeral Home will be in charge of burial in the Hamlin East Cemetery.

Survivors are his wife, his mother of Eastland; five sons, Henry and Freddie, both of Snyder; Homer of Hamlin; Carroll of Fresno, Calif., and Johnny who is serving with the Air Force in Turkey; four daughters, Mrs. Tommy (Doris) Davis of Menard, Texas, Mrs. Marvin (Lottie) Williams, Mrs. Doc (Wanda) Neal and Bobbie Nell Everton, all of here; two brothers, Lois of Dallas, and Elver of Eastland; four sisters, Mrs. Finis Johnson and Miss Edna Everton of Eastland, Miss Lula Everton of Grand Prairie, Mrs. Charlie Goodwin of Gorman and thirteen grandchildren.

HEAVY DAMAGE—Results of the hail storm that hit this area Saturday can be seen in cotton plant shown above. Fields that had been defoliated before the storm hit were stripped clean. Cotton can be seen on the ground that was knocked from the plant.

THURSDAY'S STORM—Damage caused by the hail storm in the Neinda area south of Hamlin can be seen in the stripped cotton on the John R. Brown Jr. farm. Thursday's hail caused the loss of 500 to 600 bales of cotton in the mile square area pelted with hail. (Photo by Orville Roland)

Council Names Housing Board

A full agenda faced the City Council Tuesday night when they met for their regular monthly meeting at the City Hall.

The oath of office was administered to the newly created Housing Authority by Mayor John V. Howard.

Taking the oath and their term of office were: Wesley Nail, chairman, two years; Fred B. Moore, two years; Gene Prewitt, one year; Weldon Johnson, two years; and Carl Murrell, one year. Murrell was out of town and will be administered the oath of office later.

The Authority was created at an earlier meeting of the council when they decided to look into a low-rent housing project. The group will determine whether there is a need for such a project, and if so, will take the necessary steps to bring it about and then will be in charge with operating the housing unit.

Notice of the city's intention to enter into a cooperation agreement with the Housing Authority was carried in the Herald in the previous two issues. This notice stated that at expiration of sixty days from October 13, the council will consider the question of whether or not it will enter into a cooperation agreement with the newly created authority.

In other action the council approved granting the King Insurance Co. the Fleet Insurance Policy on the city's rolling stock. The present policy expires November 21, 1960. The council's policy has been to rotate the insurance around among the Hamlin agencies. The policy carries a \$1,500 premium.

Approved settlement on the City Police car that was damaged earlier in the year in an accident. The insurance company offered to settle for \$570.29 and the council voted to approve this amount.

Voted to purchase a four per cent \$10,000 Water and Sewer Bond with surplus money from the sinking fund set up for this purpose. It was determined that the city could

save \$7,067.00 by buying back this bond now. Money in this sinking fund can only be invested in government bonds or the city's own bonds. The bond would mature in 1978 and the city will save 18 years interest by purchasing it now.

Turned down a request by the First Methodist Church to lower the city taxes on the property owned by the church next to their parsonage. The church asked that the taxes be reduced one-third, but the council decided that since the property was income property

First Methodist Adopts New Building Program

The First Methodist Church here has adopted plans for a \$200,000 building program which will include the building of a new sanctuary, new educational building and moving and remodeling the present parsonage. Financing for the program will be spread over the next four years, according to Rev. Edmund W. Robb, pastor.

A steering committee, headed by Carl Murrell, studied ways and means of taking care of present needs and providing for future needs in preparation for the building campaign. After meeting with several architect firms and professional fund raisers the committee recommended this course of action to the official board for adoption.

Following approval by the official board, Murrell was appointed as general chairman to head the campaign. Other committees were named Wednesday evening to carry out plans for the next three weeks.

The program is divided into three parts with Bill Davis in charge of education; Phil E. Smith, mechanics; and Dr. E. D. Perrin, solicitations.

At the Wednesday night meeting Murrell told the 16 committees of the present need for expanding facilities to accommodate the classes that are growing each month.

He said, "If we are to reflect our Christian faith in our actions today, we must provide a place of worship worthy of that faith. Our sanctuary today is a shining example of a past generation who provided this beautiful Church. We must keep this faith growing and leave for the next generation a monument of our faith equal to our times."

PLANNING \$200,000 NEW CHURCH—Heading the building program for the First Methodist Church of Hamlin now underway are left to right; Rev. Edmund Robb, pastor; Bill Davis, associate chairman heading the educational committees; Carl Murrell, general chairman, Phil E. Smith, associate chairman heading mechanics committees; and Dr. E. D. Perrin, associate chairman in charge of solicitations. The campaign will climax with a victory dinner November 16, 1960.

Rains Stop Road Work

Rains over the past few days have stopped work on the city's paving program that was already running behind schedule. Work is expected to resume as soon as possible.

The contractor has done only preliminary work on the streets and most of this will probably have to be done over since the rains. Work on curbs and gutters is expected to start when the weather clears.

A check Wednesday with Mayor John V. Howard Jr. shows that the city now has 26 blocks signed up ready for paving and that there is the possibility of seven or eight more blocks going along with the program.

Brannan Construction Company, Inc., of Victoria was awarded the contract by the city.

DePriest School Re-opens Today

DePriest School will open Thursday, October 20. Class will be resumed earlier than scheduled due to crop and weather conditions, reports J. J. Starr, principal.

DEPOSITS, LOANS DOWN FROM 1959

The quarterly bank statement of the Farmers and Merchants National Bank shows deposits down only \$212,091.76 from a year ago and loans down \$162,037.62. This is based on the October 3 bank call.

Deposits are down \$376,570.25 from the last call which was in June. Loans are \$71,454.97 higher than in June.

As of October 3 the bank had on deposit \$4,747,541.16 and had \$1,973,253.13 outstanding in loans.

Hamlin, Haskell Play Here Friday

After losing to the Anson Tigers Friday night, 12-6, this Friday's contest between Hamlin and Haskell takes on new importance for the Pipers since they must win the next two games to have a chance to present this district in the playoffs.

If Hamlin wins the next two and Anson loses to Spur and Haskell the Pipers will share the district honors with the same. Hamlin would go to the playoffs on the strength of their win over the tying team by other combination of

wins and losses would either district into a three-way tie and the flip of a coin would eliminate Hamlin or throw the determine the play-off team.

Stamford has been ruled ineligible to compete for the honors.

Haskell was idle last week while Stamford defeated Spur, 33-6.

Haskell will be seeking their first win of the season when they invade the Piper Stadium Friday night. Game time is set for 7:30 p.m.

The Indians will rely heavily on their passing attack with quarterback Jerry Hadaway

rated by many as the top passer in the area. They split an end and flank a back and only run enough to keep the defensive pulled in. Both ends, Volley Ivy and David Anderson, and the flanking halfback, Lonnie Sturdy are excellent pass receivers.

Bobby Herren at 148 pounds is the Indian top defensive boy. Although the Pipers are badly bruised, Coach D. C. Andrews expects to have all of the boys suited out with some seeing only limited action.

Other action in 6-AA, Spur will host Anson and Stamford takes the week off.

Other action in 6-AA, Spur will host Anson and Stamford takes the week off.

Other action in 6-AA, Spur will host Anson and Stamford takes the week off.

Camp Fire Chili Supper Tickets Available Now

Camp Fire Chili supper tickets are on sale at Howard's City Drug and Reynold's Drug. The supper will be held Oct. 29 in the High School Cafeteria. Mrs. Jack Wicker and Mrs. Wilson Brannon are in charge of food arrangements.

Residents are asked to buy their tickets early.

Orville Roland, chairman of ticket sales, said that an estimate of the number of tickets sold would be made Wednesday so that the final preparation could be made.

Chili, coffee and pie will be served for 75c.

Mrs. Fred Young First to Name 'Mystery Farm'

Mrs. Fred Young was the first to identify last week's "mystery farm" which belongs to Mrs. Richard Young Sr. Others correctly naming the place were Arnold Johnson, Mrs. Lala Harbert, Mrs. Raleigh Reynolds, Paul Galley, and F. E. Turner.

Two-Headed Calf Born on Chinke Place

October 29, 1920

The freakiest freak of animal freakdom is at Agular. It is a two-headed calf born on the place of Joe Chinke early this week. The mother of the freak calf is a heifer two years old and is one of original twin calves, and the freak is her first offspring. She is of white faced Hereford breed. The calf is perfectly formed in every respect but has two heads with but a single pair of ears, four eyes, two mouths and two foreheads. It appears strong and healthy being able to take nourishment with either.

The hospitality of Mrs. D. J. Moss home was greatly enjoyed by a large number of her friends when Mesdames Moss and E. A. Pardue delightfully entertained, Saturday afternoon from three to five o'clock.

The decorations were all suggestive of Hal o'ween, the idea being carried out in the score cards, and the favors, which were small baskets filled with sweets. The costumes worn by

the hostesses and their assistants, Mrs. J. H. Grisby and little Misses Roberta and Katherine Moss were also suggestive of the occasion.

We have heard of miracles and coincidences, but the following as told by the father of the little fellow who performed the miracle has all of them set aside, and probably nothing equal it has ever been recorded. The strange incident occurred while E. M. Packnett, who resides south of town, was cutting some cane with a row binder. The little boy, two years of age, was hiding in the cane. Unaware of his presence by the father, the little fellow was picked up by the binder, carried up the elevator through the machine, tied and thrown to the ground with a half bundle of cane. It was then Mr. Packnett discovered what had taken place, and after an investigation found that aside from a few slight scratches about the arms the fortunate boy was unharmed.

25 YEARS AGO

Wheat Growers Meeting Called in Anson

October 25, 1935

Down at the Hamlin Service Barber Shop are two old-timers who have smiling faces, perhaps because they are again domiciled in the city of Hamlin.

Who are they? None other than Creed Smith and J. Oliver Jones.

Mr. Jones has been back from East Texas several weeks and just last week Creed Smith made a purchase of the barber shop from the owner, Mr. Newsom and thus the two are settled down to business in Hamlin.

Mr. and Mrs. Ira Clements and sons, Jimmy and Joe, are in San Antonio this week attending the annual convention of Texas Guard Chapter of the Order of the Eastern Star. While in San Antonio they will visit Mr. Clement's sister, Mrs. M. G. Cooper and family.

An important meeting of all wheat growers of Jones County, is called by the Wheat Control Association, Wednesday, October 30th, at 9:30 a.m. in the County Court Room, Anson.

A discussion of the 1936-39 provisions of the new contracts and the time of signing-up will be the essential points to be considered, according to the secretary, Charlie T. Myatt.

The Twentieth Century Club was entertained Thursday afternoon of the past week, by Mrs. C. G. Green in her home on Union Avenue.

Pink and red radiance roses were artistically arranged in

rooms where guests spent the afternoon at bridge. Following the games cake and ice cream was served.

Members present were Mmes. J. F. Taylor, J. T. Bynum, J. E. Moody, H. O. Cassle, J. P. Morgan, A. E. Pardue, B. L. Jones, Q. Martin, and C. C. Prater.

15 YEARS AGO—

Seven Five-Room Houses Being Built

October 26, 1945

If there is anything Hamlin needs most, it is more housing room. This brings about one of the best building projects that has yet been attempted in this city.

Carmichael Brothers and Delma Shelburne are now building seven five-room houses in the Moore Addition in West Hamlin. We understand that these houses will be for sale, and being a mass production should be had at a price lower than would be expected.

These homes will be finished within about a month. From all indications, these houses are going to have some of the most modern features, something not yet seen in Hamlin.

Miss Margery Riddle, daughter of Mrs. Ralph Riddle, was married to Lt. Robert Fowler, son of Dr. and Mrs. Paul Fowler, in a candle lit ceremony Sunday afternoon, October 21, at three o'clock in the home of the bride's aunt, Mrs. Ross Fomby, on Lake Drive. The ceremony was read by Minister

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN—Though the legislators are still home, shots already are whizzing in the battle over how to raise more state revenue in 1961.

When the lawmakers arrive in January, they will have a hard time finding a road to new money that hasn't been land-minded and strewn with barbed wire by some group that opposes that course.

Advance studies indicate the need for as much as \$100,000,000 a year in new taxes.

Business groups, who have been holding meetings over the state, have come out flatly for a retail sales tax. They counted that to meet its needs, present and future, Texas must have a broad-based, spread-thin tax that will grow with the economy.

Representatives of organized labor, strongly opposed to a sales tax, fired back. Labor has endorsed the idea of a broad-based, "growth" tax, but insists it should be an income tax, on corporations and individuals.

Governor Daniel has voiced

opposition to both sales and income taxes. Many legislators were elected on platforms opposing both.

Only other likely courses would be to raise taxes that already exist, or vote taxes previously rejected. But these roads also are blocked by groups ready to defend to the last.

On such a battlefield, lawmakers might be tempted to re-treat — except this course is cut off too by supporters of better colleges, teacher raises, medical payments for the aged — all of which require more money.

U. OF HOUSTON AID APPROVED — Commission on Higher Education recommended that the University of Houston be added to the state college system if it wouldn't cut into funds needed by the 19 existing state colleges.

Final decision can be made only by the Legislature.

A Commission study indicated the University of Houston would cost the state approximately \$4,000,000 a year more from the general revenue fund. It has a 22-acre campus and a plant valued at \$22,000,000. Enrollment for this year is 11,500, second only to the University of Texas with 19,000.

Commission emphasized that adding the Houston school should be conditioned on providing adequate financial support to existing state schools. Commission is tentatively recommending an appropriation of \$69,350,000 for higher education in 1962. University of

Houston's needs would be in addition to this, meaning more money raising problems for the Legislature.

AUTO INSURANCE PLAN REVISED—State Board of Insurance has removed certain driving violations, mostly minor, from the list of those incurring penalties under the state's merit rating plan for auto accident insurance.

Board members disagreed among themselves over whether to retain the present plan or abolish it and let companies set up merit rating on an individual basis. Board Chairman Penn J. Jackson favored the individual plan but was voted down by members Robert W. Strawn and Ned Price.

Removed from the list of driving offenses which cause the driver to have to pay higher accident insurance rates were such offenses as fraudulent use of drivers license, mental incompetence, physical incapability, driving on the wrong side of the street, going the wrong way on a one-way street, blocking traffic, illegal backing, improper signals, etc.

Points will still be assessed the driver for such violations as speeding, running red lights, negligent collision, illegal passing, failure to have drivers license, whether involved in an accident or not.

Changes go into effect Jan.

1. BOWLING TAX OPINION—A big bowling alley costs less than a tiny one, state tax-wise.

Attorney General Will Wilson ruled that the operator of a regular bowling alley should pay only the \$10 occupational tax, but the owners of coin-operated miniature bowling machines must buy a \$60 license for each machine.

Two machines joined together cannot get by on the same license, said Wilson in the same opinion, given at the request of the State Comptroller Robert S. Calvert.

Only service machines are tax exempt, said Wilson.

TOURIST BOOKLET DUE—

Texas Highway Department expects to have a new 32-page booklet designed to attract tourists to Texas ready for distribution by the end of this month.

It will be the first booklet of its type paid for with state funds. It will have 76 color pictures to show people why they should spend some time—and money—in Texas.

Texas' tourist industry, an important source of revenue to the economy and the state treasury, has been slipping in the past few years. Competition of other states is blamed for the drop from 10,300,000 visitors spending \$531,000,000 in 1957 to 9,600,000 spending only \$431,000,000 last year.

First printing of the new brochure is 400,000. It will give the Highway Department something to send to some 200,000 potential tourists who write in each year.

TIDELANDS LEASING ANNOUNCED — School Land Board will start offering oil and gas leases in the Texas tidelands at its sale Dec. 6.

Atty. Gen. Will Wilson announced that the U. S. Supreme Court decision recognized state ownership of the tidelands for three leagues (approximately 10 miles) had been made final.

This clears the way for the state to begin realizing revenue from them, said Wilson.

SHELTER POSSIBILITIES EXPLORED—Core tests reveal that the area underneath the state Capitol building is almost solid rock for 80 feet down.

This indicates a favorable place to construct an underground fallout shelter for essential government services in wartime, says Ref. Charles Sandahl of Austin.

Sandahl has proposed building such an underground shelter to be used for parking space in peacetime. State Building Commission ordered the soil test to get an idea of whether such a project could be done and arrive at a cost estimate.

Mail Volume Hits New Record High

Mail volume in the Hamlin, Texas area contributed to a new national record of nearly 64 billion pieces of mail, including a billion pieces of parcel post, during fiscal year 1960 ended last June 30, Postmaster Perry Sparks said.

Based on advanced information from the Annual Report of the Department which has been made available to Postmaster Sparks, it was revealed that the present day figures represent an increase of 25 percent over the 1953 volume which totaled 50.9 billion pieces.

This increase, along with a sharp discontinuance of mail-carrying trains in recent years, has helped foster a complete revolution in postal transportation including far more extensive use of highway vehicles, he said.

Today, 85 percent of the vast postal vehicle fleet — operating under a modernization and improvement program initiated in

1954 — is composed largely of new types of standard, commercial, light-weight, maneuverable vehicles. This conversion, he noted, has meant "retirement" of worn out vehicles — many in use for ten years or more — which, in turn, has greatly reduced maintenance costs for the Postal Service.

Don R. Hicks Now Aboard Carrier

ALAMEDIA, Calif.—Don Hicks, seaman, USN, grandson of Mr. and Mrs. J. O. Parker, 212 N. W. Avenue C, Hamlin, Texas, departed Alameda, California, September 16, aboard the attack aircraft carrier USS Coral Sea to join the Seventh Fleet in the Western Pacific.

During the Far Eastern cruise the carrier is scheduled to visit ports in Japan, the Philippines, Okinawa and Hawaii.

Turkey is a constitutional public. Its national assembly elected by the people every four years.

OPEN THE DOOR to a new way of living—electrically

in a MEDALLION HOME

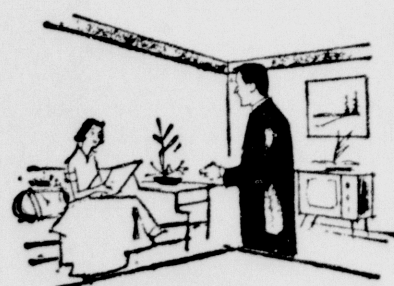

The door to a Medallion home opens to modern living convenience at its best. Any home, anywhere, can be a Medallion Home, regardless of styling, size or price. It is what's inside the Medallion Home that makes the difference.

Open the door to a Medallion Home and see for yourself. Note the number of work-saving electric appliances... the service entrance, circuits and outlets that mean REDDY WIRED... the handy light switches and decorative lighting fixtures, each with a definite purpose and each in the exact location to furnish plenty of "light for living."

All these conveniences are required in a Bronze or Gold Medallion Home. And, in the Gold Medallion Home, there are more... including clean, comfortable electric heat. Before you buy, build or modernize, get the facts about Medallion living from your Building Contractor or WTU.

...all these features in a Medallion Home

LIGHT FOR LIVING This is the kind of light that beautifies your home and provides glare-free light to protect the precious eyesight of your loved ones.

REDDY WIRED The wiring needed for trouble-free use of all of the many electric conveniences is always yours in a Medallion Home.

ELECTRIC SERVANTS Every Medallion Home has a flameless electric range plus at least 3 other major electric appliances. This assures you of the basic electric servants the day you move into your Medallion Home.

West Texas Utilities Company an investor owned company

By MRS. ELMER JOINER

The big news out our way this week is the weather. Disaster struck Saturday afternoon around six p.m. when a heavy rainstorm and heavy winds passed through the community. Crops left in the fields were wiped out, and extensive damage done to the homes in our area.

Many houses had windows broken and most roofs were damaged or destroyed and the high wind forced rain through openings on the north to soak curtains and other household furnishings.

Some farmers had some of their cotton harvested, preparing to strip, and fields were white with open cotton, but after the storm had passed only mud and water and cotton stalks were left. It was the most far reaching hail, this time of the year ever received in this part of the country.

Stopping over for a visit with his uncle, Mr. and Mrs. O. L. Jenkins last Tuesday afternoon, were Captain and Mrs. Raymond Walters of Lubbock. Captain Walters is a State Ranger and was a resident of this community about fifty years ago.

Mrs. Jack Wright, Flavel Holmes, O. L. Jenkins, Fred Rosenbaum, Winson Gray and Elmer Joiner attended the bridal shower honoring Mrs. Gilbert Petty, the former Elizabeth Watts, in the home of Mrs. C. L. Thurman of the Corinth community last Thursday afternoon.

Mr. and Mrs. R. M. Jones visited their son, Rex Jones and family, in Abilene Sunday.

Mr. and Mrs. Winson Gray visited with Mr. and Mrs. Bryon Agnew, near Anson, after church Sunday night.

Mr. and Mrs. Woodrow Goodwin and Linda visited Mr. and Mrs. Floyd Goodwin Sunday afternoon.

Visitors in church service Sunday morning were Mr. and Mrs. John Herron, Penny and Mack of the Noodle area.

Mr. and Mrs. Joe Ford had as visitors Sunday three of their sons, Bill, H. L. and Doug, Pete Steele and Ann Cockran.

Several from our community attended the football game in Anson Friday night to see Anson and Hamlin play.

Rev. and Mrs. Bill Beatty of Bethel Church and their children, visited with Rev. and Mrs. Doyle Combs Saturday night.

Visiting in the Elmer Joiner home Sunday afternoon for a short visit were: Mr. and Mrs. Henry Kee, Lubbock; Mr. and Mrs. Clarence Rosamond, of Childress; Mr. and Mrs. Bill Neville, Anson; and their children, Mr. and Mrs. Buck Joiner, Charles, Jerry and Susan, Mr. and Mrs. J. E. McCoy, Kay and Larry all or near Hamlin.

Mr. and Mrs. Jack Wicker and Suzanne, visited with Mr. and Mrs. Woodrow Goodwin and Linda Sunday.

Sunday afternoon Mr. and Mrs. Earl Kiser, Stamford, came by and Mr. and Mrs. O. L. Jenkins went with them to visit with Mr. Kiser's parents at Sylvester.

Mrs. Elmer Joiner, Mrs. Woodrow Goodwin and Linda were returning from Abilene when they were caught in the hailstorm. They parked behind the John Beauchamp house and stayed there until it was over.

Mrs. George Wainscott entered the Stamford hospital Saturday and was scheduled to have surgery Tuesday morning.

VAN B. BULLARD FARM
Near Aspermont

Van B. Bullard Owns 'Mystery Farm': Now Being Farmed by C. G. Viertel

The "Mystery farm" picture which was published in the September 22 issue of the Herald was identified as the Van B. Bullard farm, two and a half miles southwest of Aspermont in Stonewall County. The place, known as the Low Farm, consists of 173.4 acres and the Bullards have lived there for 14 years. They purchased the

land from M. J. Reese in April, 1946. Improvements have been made since the above picture was made. A concrete yard fence and a lumber shed west of the two car garage.

The farm is now rented to C. G. Viertel and Bullard is engaged in contracting and lumber business. The Bullards enjoy living in the country and are living in the farm home.

Even though Bullard is not actively engaged in farming at this time he is a member of the Farm Bureau and believes in following all practices of soil conservation.

The farm was first settled in 1925 and R. W. Low was first to live on the land after it was put into cultivation.

Bullard and his wife, Mary Ann, are members of the Church of Christ. Hand crafts is listed as a favorite hobby.

Mrs. Arch Griffin went to New Mexico and visited her daughter.

Mr. and Mrs. Lea Dickerson went to Merkel Friday night and worked in her brother-in-law's station and store.

Mrs. O. H. Striffling of Sweetwater spent Friday afternoon with Gladys Williams and Mrs. A. W. Pursley Sr. They spent the afternoon visiting and tacking a quilt.

Mrs. Bessie Scott, Alice Cross, Mrs. C. A. Gray, and Mrs. J. N. Hurd visited Wednesday in the Gladys Williams' home.

Debbie Douglass has been ill with asthma and Levenia Dickerson has been ill with a sore throat.

Sylvester is all in hopes of getting water piped to the community, from Sweetwater or Hamlin. There have been two meetings this week and they were well attended.

Only four states have more unharvested timber than the 97 billion board feet in Lane County, Oregon.

SYLVESTER NEWS--

By GLADYS WILLIAMS

Mr. and Mrs. M. R. Gann spent the weekend in Rotan with the O. T. Ganns. Paulene worked in the Gann's Cafe.

Mr. and Mrs. Edgar Smith and Mr. and Mrs. Woodford Pursley went to Midland Friday afternoon and stayed all night with Mr. and Mrs. Raymond Woods. Mr. Pursley stayed there to run the cotton stripper for Woods. After it rained, Mr. and Mrs. Woods brought him and visited relatives here.

Alford Pursley of Roscoe visited his mother Sunday.

Mrs. A. J. Hill and Mrs. L. C. Brown presented the services at the Methodist Church Sunday morning as it was layman day.

Forrest Perkins and J. M. Montgomery went to Huntsville Rodeo last weekend.

Mrs. Arch Griffin went to New Mexico and visited her daughter.

Mr. and Mrs. Lea Dickerson went to Merkel Friday night and worked in her brother-in-law's station and store.

Mrs. O. H. Striffling of Sweetwater spent Friday afternoon with Gladys Williams and Mrs. A. W. Pursley Sr. They spent the afternoon visiting and tacking a quilt.

Mrs. Bessie Scott, Alice Cross, Mrs. C. A. Gray, and Mrs. J. N. Hurd visited Wednesday in the Gladys Williams' home.

Debbie Douglass has been ill with asthma and Levenia Dickerson has been ill with a sore throat.

Sylvester is all in hopes of getting water piped to the community, from Sweetwater or Hamlin. There have been two meetings this week and they were well attended.

Texas Draft Call For November Set for 365 Men

AUSTIN, Texas—The state quota for Texas draft boards in November calls for 365 men, Colonel Morris S. Schwartz, state Selective Service director said Tuesday.

The November call is the state's share of a national quota of 7,000 men, all for the Army.

Colonel Schwartz also announced pre-induction physical and mental examinations for approximately 2,000 men in November.

Local board quotas for the November call have already been completed and sent to the state's 137 local boards.

The November quota will be filled with men who are at least 22 years old on November 1, 1960, with the exception of may be younger.

Ask Amy

BY AMY ADAMS

A PERSONAL RECIPE FROM AMY

Dear Amy:

A few months ago at my request you sent me 'tips' on how to keep the man I married happy. Since then, it has been lent to some of my friends, and everyone who has read it, like it.

I wonder if you would print it in your column so that everyone else can read it. I have a sister-in-law in Michigan and I hope she gets to see it, too.

Mrs. A. W.

Dear Mrs. A. W.:

With pleasure. Here it is: "Let me start off by saying that the following information is not a recipe that you put into a bowl and, with luck, turns out just the right shape, size and color to please you. It is merely my own experiences and observations of a male member of my family whom I please to call my husband (for 17 years) and the gathering over the years from hundreds of letters from women such as you and me who have put good common sense into practice and are happier because of it.

"The basic ingredients are love, consideration, appreciation, gratitude, respect and a very important touch of flavoring and spice . . . namely the 'know how' to make the man in your life feel wanted and needed.

"Every right-thinking woman knows the profits in marriage are by all odds hers, so by applying the above mentioned (sans the use of a measuring cup), she stands to reap an abundance of happiness, assuming of course, she has a right-thinking man.

"Fautis there are bound to be, but a woman who masters the art of 'getting along' with her man, also knows how to get along with his defects. She adopts them! Mainly because she has no other choice, and they run the gamut from the slob, the clod, the saver, the spender, etc., etc., etc.

"But so what! When he is satisfied to put up with shopping expeditions, women's clubs, curlers, flannel bathrobes, etc., etc., etc.

"It's food for thought that could give us all a touch of indigestion. But with all their faults—and ours—if we love them enough to share the bumpy, difficult, but always mutual path of married bliss, who reaps the rewards? WE do, of course!

"I have seen the most fastidious, glamorous woman, intelligent in every possible way, a magnificent

housekeeper, who outwardly puzzled the most observant of marriage counselors. And then there was the 'plain Jane' who thought Dun and Bradstreet was an intersection in New York, but who learned the basic ingredients of a successful marriage . . . and is divinely happy.

"A sharing of faults, an attentive ear to his likes, dislikes, accomplishments, disappointments and the stout conviction that marriages were made to last are what make them as comfortable as an old shoe that a new one couldn't possibly replace."

copyright 1960

Dear Amy:

In a letter to 'Albert,' you said a 1927 buffalo nickel was worth only a nickel. His nickel (with no mint mark) is worth ten cents if it is in good condition, and even more if it is in excellent condition. A 1927D is worth about 50c in good condition, and a 1927S is worth 90c.

Bark

Dear Bark:

One of us is barking up the wrong tree! My source of information is "APPRAISING AND SELLING YOUR COINS," published by The Coin and Currency Institute, Inc. What's yours?

Dear Amy:

My big sister married a man who is a momma's baby and visits his mother quite often, but rarely brings my sister home to see us. We miss each other. What should she do?

Kid Sister

Dear Kid Sister:

Tell your big sister that she is big enough to come visit you whenever she has a mind to, and she doesn't have to wait for 'momma's baby' to take her by the hand and bring her.

Dear Amy:

Do you get many letters and do you type all the answers yourself?

Just Wondering

Dear Wondering:

I receive several hundred letters each week and each one gets my personal attention. The typing is done by myself and my staff.

Address all letters to:
c/o This Newspaper
Amy Adams

PROGRAM FOR THE FIFTY-TWO STUDY CLUB—Shown in the above picture is one of the 48 room settings which will be shown in 'The American Idea' home furnishings program which will be presented to members of the Fifty-two Study Club and their guests at 3 p.m. at the Harden Memorial Library. Mrs. Dale Lain will read the commentary on the 56 slides. The program, featuring fabulous home furnishings, was developed by the Celanese Corporation of America. A dress length of material will be given as a door prize. Mrs. Cecil Sellers will be hostess.

ANNUAL FRIENDSHIP NIGHT OBSERVED BY EASTERN STAR

Hamlin Chapter No. 460 of the Order of the Eastern Star met Tuesday evening at 8:00 o'clock in the Masonic Hall. The meeting was called for the observance of the annual Friendship Night.

Mrs. Bonnie Bingham, worthy matron, and Roy Watson, worthy patron, presided. Mrs. Bingham gave the welcome.

Dr. R. O. Fuqua of Sweetwater, worthy grand patron, grand chapter of Texas, O.E.S., was escorted to the East and given a cordial welcome.

Other Grand Chapter officers attending were: Mrs. Phil J. Malouf of Rotan, member of the Estral Committee and Mrs. R. O. Fuqua of Sweetwater, chairman of the chapters under Dispensation.

Four candidates were initiated in a Friendship initiation which was conducted by the following members and visitors:

Worthy matron, Mrs. R. L. Huffman of Mansfield Chapter No. 876, who is now living in Aspermont.

Worthy patron, J. C. McGee, Knox City Chapter No. 119.

Associate matron, Mrs. O. L. Lennard, associate patron, Grover Chronister, both of Abilene Chapter No. 30.

Secretary, Mrs. Clem J. Wilson, Roby Chapter No. 25.

Treasurer, Mrs. Clarence Barth, Rotan Chapter No. 52.

Organist, Miss Geneva Cole, Sweetwater Chapter No. 352.

Conductress, Mrs. Rex Harris of Sweetwater, Mamie D. Crane Chapter No. 1018.

Associate conductress, Mrs. O. H. Holliday, Sweetwater Chapter No. 352.

Chaplain, Mrs. Herman Cox, Stamford No. 269.

Marshall, Mrs. Floyd Briscoe, Hamlin Chapter.

Ada, Mrs. Bertie Freeman, Queen Esther Chapter No. 833 of Abilene.

Ruth, Mrs. Jack Vaughan, Hamlin.

Esther, Mrs. Nell Russell, Anson Chapter No. 867.

Martha, Mrs. E. L. Arnold, Snyder Chapter No. 450.

Electa, Mrs. W. H. Clark, Snyder Chapter No. 450.

Wardner, Mrs. Lynn Adams, Rotan Chapter No. 52.

Sentinel, Charlie Abbott, Hamlin.

Mrs. Everett Gibson was in charge of the short program that followed the initiation.

She gave a talk "To Our Friends." Mrs. S. C. Ferguson Jr. gave Edgar Guest's poem, "Friends Greeting." The song, "What A Friend We Have In Jesus" was sung by the audience. Dr. Fuqua gave the response for all the visiting Grand Chapter officers and other guests from visiting chapters. As guests were registered by Mrs. Don Lock, they were presented leaf shaped name tags in fall colors edged in glitter. About 115 guests registered from: Roby, Merkel, McCaulley, Rising Star, Mansfield, Knox City, Anson, Abilene, Stamford, Sweetwater, Snyder, Rotan, Aspermont, Rule and Gibson City, Ill.

The refreshment table was laid with an orange linen cloth and centered with an arrangement of fruit and dried autumn leaves. Silver and crystal appointments were used.

Other tables were covered with white and centered with arrangements of fruit. Serving were Mmes. J. R. Ray, C. C. Calhoun, Bob Rutherford, Clay Douglas, J. V. Trammell Jr. and Otto Frazier.

Decorations of fall arrangements in the hall and reception rooms were prepared by Mmes. Jack Vaughan, L. B. Williams and Charlie Abbott.

Preceding the meeting, Mrs. Bingham, worthy matron and Watson, worthy patron, honored Dr. and Mrs. Fuqua and the Hamlin officers for 1960-home of Mrs. Dick Maberry, 61 with a salad supper in the 45 Northwest Avenue G.

The table was laid with a white linen cloth and centered with an arrangement of yellow pom pom mums in a crystal container. Silver and crystal appointments completed the table decorations.

Guests were seated at four-some tables covered with white and centered with Halloween arrangements.

Hamlin Principals Attend Meeting

B. V. Newberry, principal of Hamlin High School, and Marvin Carlton junior high principal, attended the annual Texas Secondary Principal Association meeting in Dallas, Saturday through Tuesday.

Abilene will be the site for the 1961 meeting.

Garden Club Holds Meeting in Agnew Home Friday

Members of the Hamlin Garden Club met Friday at 3 p.m. with Mrs. Johnnie Agnew as hostess. Mrs. Harold Bonner discussed how to grow iris and Mrs. C. F. Cook gave tips on the growing of lilliputs. Mimic butterfly iris were described by Mrs. L. B. Williams. Mrs. M. T. York conducted the garden quiz.

Mrs. Dick Maberry prepared the halloween arrangement for the meeting.

The District Convention to be held Thursday, October 20, in Ozona was announced.

4-H Club Council Elects Officers

The 4-H Club Council met Saturday at 9:30 a.m. in the Agriculture Building in Roby with Weldon Van Liew presiding.

The following officers were elected: Allen Lee, chairman; Weldon Van Liew and Carolyn Day Herron, co-vic chairmen; Margaret McLain, secretary; Royce Green, treasurer; and Ann Kemp of McCaulley, reporter.

FORT WORTH PASTOR TO LEAD FIRST BAPTIST FALL REVIVAL

The fall revival at First Baptist Church will begin Sunday, October 23, and will continue through services Sunday, October 30. Rev. Joe Atchison, pastor of Haltom Road Baptist Church in Fort Worth will be the evangelist. Rev. Lenard Hartley, pastor, announced this week that services will be

held daily, at 9:30 a.m. and 7:30 p.m.

Rex Wilson, music and youth director of the First Baptist Church of Coleman, will direct the music and work with the youth.

Tommy Mosley, local youth and music director, will play the piano for services and direct the junior choir.

Rev. Atchison is a former pastor of the Westside Baptist Church of Sweetwater and has been in Fort Worth for three years.

The nursery will be open for all services. The public is cordially invited to attend.

Scuppernon is a white wine made from grapes grown in southern United States.

The first steam sawmill in the West was built in Portland, Oregon, in 1850.

Italy leads in exports of foreign cheeses to the United States.

Party Honors Vickie Jo Dickerson on Sixth Birthday

Vickie Jo Dickerson was honored on her sixth birthday with a birthday party at 2:30 p.m. Saturday in the home of her parents, Mr. and Mrs. Ellis Jones, 548 Northwest Avenue B.

Refreshments of cake and ice cream were served to the following: Sharon Emery, Mike Heard, Linda Chapman, Jane Hopper, Linda Helms, Juanita Williams, Johnny Howard, Marilyn, Carolyn and Lynda Ann Harrison.

RETIRED TEACHER DIES SATURDAY

Funeral services were held in Abilene Saturday for Miss Georgia Moore, 69, a former teacher in Hamlin Public Schools. She died of cancer in Abilene at the Hendrick Memorial Hospital at 8:15 p.m. Thursday. She had undergone surgery in March and had been hospitalized for three weeks. Born December 8, 1890, near Merkel, she was reared there and graduated from Merkel High School. She received her bachelor's and master's degrees from McMurry College. Miss Moore began teaching at the grade school level in rural schools in Taylor, Jones, Fisher, Eastland and Robertson counties and served several terms as principal. She taught 32 years in Hamlin, most of that time was spent teaching in the 4th grade. Active in church, Miss Moore was a member of the Wesleyan service Guild of the First Methodist Church, taught the kindergarten Sunday School class. Her home while in Hamlin was 120 West Lake Drive. She retired from teaching in 1959. At the time of her death, she was living with an aunt, Mrs. Martha Musick, in Abilene. A member of Fairmont Methodist Church, services were held there at 2:30 p.m. Burial was in the Cedar Hill cemetery under direction of Elliott's Funeral Home.

NO NEW DISCOVERIES MADE IN HAMLIN'S AREA OIL NEWS

The oil and gas exploration, development and production activity in the Hamlin area the past week was of a routine nature. No new discoveries were completed and no signs of new oil openers were reported. All new completions and new locations, along with all dry holes, were chalked up in the region where in west and Southwest Jones County. The sectors of Fisher, Stoneall and Haskell counties in the Hamlin area produced no news. Fletcher Oil & Gas Drilling Corporation of Abilene completed a new producer in the Cal-Ham (Palo Pinto Reef) area four miles north of Trent in southwest Jones. It potentialled for a daily pumping production of 76 barrels of 40-gravity oil from a perforated interval at 4,677-4,685 feet. That zone had been fractured with 101,000 gallons of water mixed with 60,000 pounds of sand. The new producer is in section 22, block 19, T&P survey. In the same area Fletcher Oil & Gas Drilling staked location and started operations. No. 4 Mark M. Williamson. is projected to 4,700 feet to the Palo Pinto Reef. The well spots 1,923 feet from south and west lines of section 22, block 19, T&P survey. It would be in the Cal-Ham (Palo Pinto Reef) pool if it takes a producer. The same concern is to drill No. 2 V. P. Byrom as a possible 4,200-foot exploration in the Noodle, Northwest (4,000-foot Canyon) area, also in southwest Jones and five miles northwest of Noodle. It spots 330 feet from north and west lines of lot 12, M. W. Dikes survey No. 218.

Patricia Bingham, 1960 graduate of Hamlin High School has been selected freshman editor of the yearbook at Bethany Nazarene College, Bethany, Oklahoma. She also made the highest rating given on the English placement test which was 99 plus. Mrs. Charles Scott, Mrs. J. B. Jayroe, and Mrs. A. A. Wade English teachers in Hamlin High School, attended an English workshop in Haskell last Saturday. Each of the other schools of Hamlin were well represented. B. V. Newberry, principal of Hamlin High School, was in Dallas the first of the week attending a meeting for principals. The Hamlin Chapter of the FFA held its second meeting of the year last Tuesday night. During the meeting four girls were chosen as nominees for FFA sweetheart. The nominees were Janice Richardson, Ann Rabjohn, Jorene Hudspeth, and Ann Hymer. The sweetheart will be selected at a later date. The FFA boys began their candy sale last Wednesday and will continue it through Halloween. It is fifty cents a package. Senior girls are busily typing birthday calendars in preparing for sending them to the printers. Anyone wishing to buy a calendar please call SP 4-1624 and leave your order.

FIRST SIX WEEKS HONOR ROLL RELEASED BY HIGH SCHOOL

Following the end of the first six weeks of the first semester, names of students on the A and B honor rolls have been released by the principal, B. V. Newberry. The list is as follows: SENIORS, All A's—Wayne Boatright, Nina Jean, Janice Richardson and Montie Wade. A average—Dara Harkley, Ann Rabjohn and Kenneth Wigington. B honor roll—Dave Bellamy, Robert Brandon, Londa Cavitt, Cliff Drummond, Craig Hester, Clyde Hodnett, Jorene Hudspeth, Ray Johnson, Jennie Law, Bobby McCurdy, Ned Moore, Walton Neatherlin, Charlene Pendley, Cecil Robinson, John Edd Scott, Cecil Sellers, Sarah Snapp, Nell Waldon, Gary Williams, Zoan Winegeart. JUNIORS, All A's—Jeanette Jenkins and Thelma McClung. A Average—Stanley Austin, Neal Branscum, Jerry Duncan, Bill Goodman, Martha Jordan, Tommy Sewell, Mary Smith, Jerry Smith and Dwayne Wheat. B honor roll—Linda Bingham, Gale Branscum, Thersia Carlson, Nancy Carter, Jimmy Cooper, Pat Green, Darlene Josey, Jerry Legan, Carolyn Ray, Raley Smith, Johnny Stovall, Priscilla Trotter, Odean West, Laverne Williams, Rayford Williams. SOPHOMORES, All A's—Gloria Jenkins, Barry Moore, Mark Smith, and Lou Ann Hawkins. A average—Joyce Bingham, Ann Hymer, Sandra Jayroe, Margaret Maberry, Dan Newberry, Van Newberry, Betty Robertson, Mary Debs Rountree, Sunny Teague, Arlene Waldon, Laguna Weaver, O. H. Weaver Jr. B honor roll—Dotty Albritton, Billye Blankinship, Char-

lotte Burleson, Julie Daniel, Penny Ford, Mary Hall, Kay Johnson, Peggy Jones, and Larry Stephens. FRESHMAN—A average—Anna Adams, Kathy Hallmark, Marsha Goodgame, Jesse Goolsby, Shirley Farnsworth, Gary Jay, Sue Johnson, Kay McCoy, Phyllis Scarborough, Tommy Robertson, Ronnie Sipe, Joyce Smith, and Candy Thompson. B honor roll—David Bingham, Diane Bond, Cheryl Brown, LaNona Brown, Barbara Embrey, Jimmy Inzer, Polly Jackson, Ann Johnson, Teresa Josey, Ginger Kidd, Barbara Lakey, Portia Long, Rose Lovell, Lynn Miller, Pam Smith, Freddie Shave, George Stovall, Ronnie Teichelman, Cleon Warner and Jean Wells. W. A. Montgomery Of Sylvester Gets Army Promotion GRAFTON, ILL. —Willard A. Montgomery, 24, son of Mr. and Mrs. John Milton Montgomery, Sylvester, Texas, recently was promoted to special-

ist four while serving with the 62d Artillery, a Nike-Hercules missile unit in Grafton, Ill. A fire control operator in the artillery's Battery D, Specialist Montgomery entered the Army in May 1959 and completed basic training at Fort Leonard Wood, Mo. He is a 1954 graduate of McCaulley High School. Sunset Baptist Revival to Begin Sunday, Oct. 23 Rev. Frank Chapman, pastor of Sunset Baptist Church, has announced that the church will have revival services October 23 through October 30. Rev. Claude Gordon, pastor of First Baptist Church in Rice, Texas, will be the evangelist. Hill Smith will conduct the song service. Prayer services are set for 7:00 p.m. each evening with preaching services following at 7:30 p.m. The public is cordially invited to attend.

Pipers Lose in District Opener to Anson, 12-6

Journeying to Anson Friday night for their first conference game the high ranked Pipers were upset by the Tigers, 12-6. This was Hamlin's second loss of the season and Anson's second win.

Anson's two scores were set up by a 54 yard punt return and a Hamlin fumble on the Piper 11. Hamlin's lone score came after recovering a Tiger fumble on the Anson 12.

Hamlin lost the ball six times on fumbles and twice on pass interceptions during the night, while Anson lost the ball three times the fumble route and one on a pass interception.

Tiger Dave Propst was top ground gainer of the night with 61 yards in 15 carries which does not include his 54 yard punt return.

High gainer for Hamlin was 37 yards in nine tries from scrimmage. Second for Hamlin was Mike Bond with 34 yards on nine carries.

Bond passed 21 times, completing eight for 70 yards.

Propst punted five times for an average of 42 yards, which kept the Tigers out of trouble most of the night.

Jerald McCanlies returned the opening kick-off nine yards to the Piper 46. Hamlin drew a five yard penalty on the first play and then Bond tried three pass plays that fell incomplete.

	0 0 6 0—6	0 6 0 6—12

McCanlies punted to the Anson 38.

The Tigers picked up two first downs in driving to the Hamlin 33 before losing the ball on downs.

Bellamy opened up the first Hamlin drive with a 13 yard punt over right guard to his 46. He carried for five more and Bond picked up two. Bond skirted his right end for 12 yards. Bellamy hit for six more and Bond kept for four. Ford carried for two, but on the next play a bad lateral resulted in a fumble with Anson recovering on their 26.

Anson drove to their 38, picking up a first down, before punting 37 yards with Ford returning 12 yards to his 36.

Bellamy was stopped for no gain and two passes by Bond fell incomplete. McCanlies punted 35 yards with Propst taking the balling on his 29, and with

the aid of a good block, headed down the sideline where he was finally brought down on the Piper 17. His return was good for 54 yards. Six plays later, Ronnie Bailey crashed into the end-zone from the four. His try for the two points failed and Anson was ahead, 6-0.

McCanlies returned the kick-off 12 yards, to his 47. Picking up three first downs, the Pipers drove to the Anson eight before losing the ball on a fumble.

Anson ran three plays and then punted 61 yards as the first half ended.

Taking the second half kick-off, Anson gained one yard from their 19 before fumbling with David Bonds recovering on the 22.

On the third down Bond picked up the yardage needed for the first, but lost possession of the ball with Anson recovering on their 11. On their first play Anson fumbled with Hamlin recovering on the 12.

From the 12 Bellamy managed for one, Bond kept for three, Ford gained two to the six and Bond connected with McCanlies with a six yard pass play for the tying score. Jim Cooper's kick for the point-after was blocked and the score was tied, 6-6.

After the kick, Propst carried for 24 yards from his 36 before fumbling with Hamlin recovering. Two plays later Hamlin fumbled the ball back to the Tigers on Hamlin's 49.

Picking up two first downs, the Tigers moved the ball down to the Piper 21 at which point McCanlies intercepted a Tiger pass and returned the pigskin out to the 25.

After two incomplete passes, Bond threw a screen pass to

Robert Brandon who was tackled for a five yard loss.

McCanlies punted to the Tiger 45 with Anson returning it to the 50. Anson was forced to punt from the 49 with Hamlin taking over on their 13. Two plays were good for one yard and on third down Anson recovered a loose ball on the 11.

Three plays later Roger Huber, on a keeper, went over his left end for the score from seven yards out. The try for the extra point failed and the score stood 12-6.

Cooper returned the kick-off eight yards to the Hamlin 43. Picking up a first down on the Tiger 39 on a 15 yard pass from Bond to Bonds, the Pipers fumbled on the next play with the Tigers recovering on their 42.

The Tigers moved the ball to the Piper 40 before punting with Hamlin getting the ball on their eight. Lee carried five yards, Bond passed to Bonds for 18 yards and then to McCanlies for 12 yards. Anson intercepted Bond's next pass and returned it to the Piper 49.

On the fourth down the Tigers punted 40 yards from the 46. Lee gained nine yards to the 15, but Bond's two pass tries failed and gambling on fourth down Lee gained one yard for the first down. Anson drew a 15 yard penalty that moved the ball out to the 29. After an incomplete pass, Bond connected with McCanlies for a five yard gain. Bond's next pass try was intercepted with Anson returning it 12 yards, but they drew a 15 yard penalty that put the ball on the Piper 38.

Anson ran one play as the game ended with the final score Anson 12, Hamlin 6.

OUTDOORS IN TEXAS

Money may not talk, but it sure does swim, float, shoot, and roam the countryside.

Actually it doesn't do all these things. But it does take money, and lots of it, to maintain our lakes and streams and to preserve and restore our fish and wildlife resources.

Money you spend for your new fishing and hunting licenses, needed September 1 each year, is spent on improving our wildlife resources.

Uncle Sam helps out too. He collects an excise tax whenever you purchase a new gun, box of shells, fishing rod or reel, or those artificial lures.

A big portion of this money also goes for your benefit in hunting and fishing. Uncle Sam distributes these funds back to the states by means of a formula based on the states area and the number of hunting and fishing license holders in the state.

Over \$12,800,000 in federal aid, for fish and wildlife restoration programs, was distributed among the various states on

July 1. These funds were allocated for the year ending July 1, 1961. They were designed to aid the states in programming their federal aid activities.

Texas fared quite well in the monetary apportionments. It was tops on the list in the allocations for fish (\$123,500) and for wildlife restoration projects (\$13,500).

California matched us in the appropriations for fish, but fell short on the wildlife allocations. None of the other states came close.

Under the federal aid program, the states expend their own funds on approved projects, then are reimbursed up to 75% of the cost. This money comes from you, Mr. and Mrs. Outdoorsman, and is spent for you... so that you may enjoy fish and wildlife for years to come.

Also in the federal picture are our water resources. The Senate Select Committee on National Water Resources is studying the potential quantity and quality of water that will be needed in the years 1980 and 2000.

That may sound like a long time off, but it will be here before many of us realize it. Certainly before we're prepared for it.

Committee reports indicate

that in 1980 the manufacturing requirements for water will be 100 billion gallons daily in itself. This is one-sixth of the estimate available under the present water development techniques.

Theodore M. Schad, staff director of the committee, says, "The United States is rapidly approaching the time when we will need and use the water we can possibly get from every conceivable source."

From these facts one can set that our water conservation problem goes much farther than the desire of the outdoorsman for the conservation of water resources... for the prolonga-

tion and sustainment on his favorite recreation.

This is a problem of survival and of health.

Of course the maintenance of water resources has the beneficial effect of improved recreation. This is one factor which caused the nation's outdoorsmen to take the lead in the fight for water conservation against water pollution. For this work all outdoorsmen are to be congratulated.

As an outdoorsman you are closer to nature than perhaps any other citizen. Because of your hunting and fishing, and your participation in water sports, it was but natural that

THE HAMLIN HERALD

Thursday, October 20, 1960

you would be the first to recognize the problem at hand.

And therefore the first to take one of the strongest stands in support of the improvement programs.

But your personal desires are secondary. The problem encompasses many things. Included not only are the pleasures of life, but life itself for future generations.

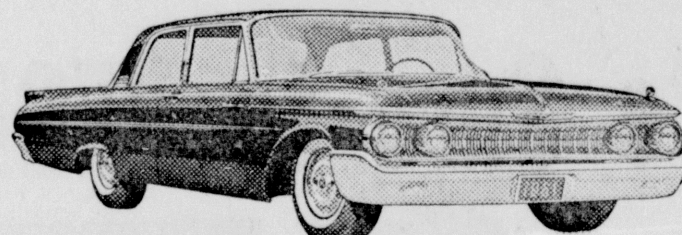

So, keep up the good work. Encourage your local civic groups to become more conservation-minded. Urge them to take an active part in the preservation of wildlife areas and

You can whet their interests terest greatly—if you'll include in your only a program for adequate water for homes and industries, but also for adequate hunting, boating and fishing facilities for the sportsman.

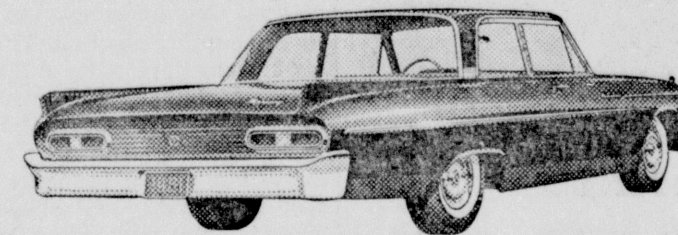

A boy, Larry, was born to Mr. and Mrs. Travis Boatright on October 12. He weighed eight pounds and one ounce.

The lyre-bird is found in Australia. The male has 16 tall tail-feathers resembling the harp-like stringed musical instrument.

TUXEDO NEWS--

By MRS. CLYDE PRITCHARD

Mr. and Mrs. Sam Wright and girls of Plainview, visited her parents, Mr. and Mrs. Tom Gilbreath and Sandra, Friday night and Saturday.

Grandmother Agnew is very ill in the Anson Hospital. She has many friends here and is the mother of Mrs. Ira Treadwell, formerly of this community.

Mr. and Mrs. Chester Cooper and Bertie of Rotan, were guests of the Craig Stephens visited in the Edwin Pritchard family through the weekend. The Stephens and Coopers all home in Abilene Saturday.

Mr. and Mrs. Paul Galey of Hamlin were supper guests of the Bill Pritchards Wednesday night.

Mr. and Mrs. Eugene Parnell of Abilene came to the Stamford Hospital Friday, to take their infant son home after birth there. He weighed about a six weeks stay only three pounds and thirteen ounces at birth.

Judy Carlton, student at Texas Tech, Lubbock, visited her parents, Mr. and Mrs. Joe Carlton and her sisters, Sarah and Kate this weekend, and also her grandfather, Mr. W. C. Carlton. Judy attended the homecoming football game at Stamford High, Friday night.

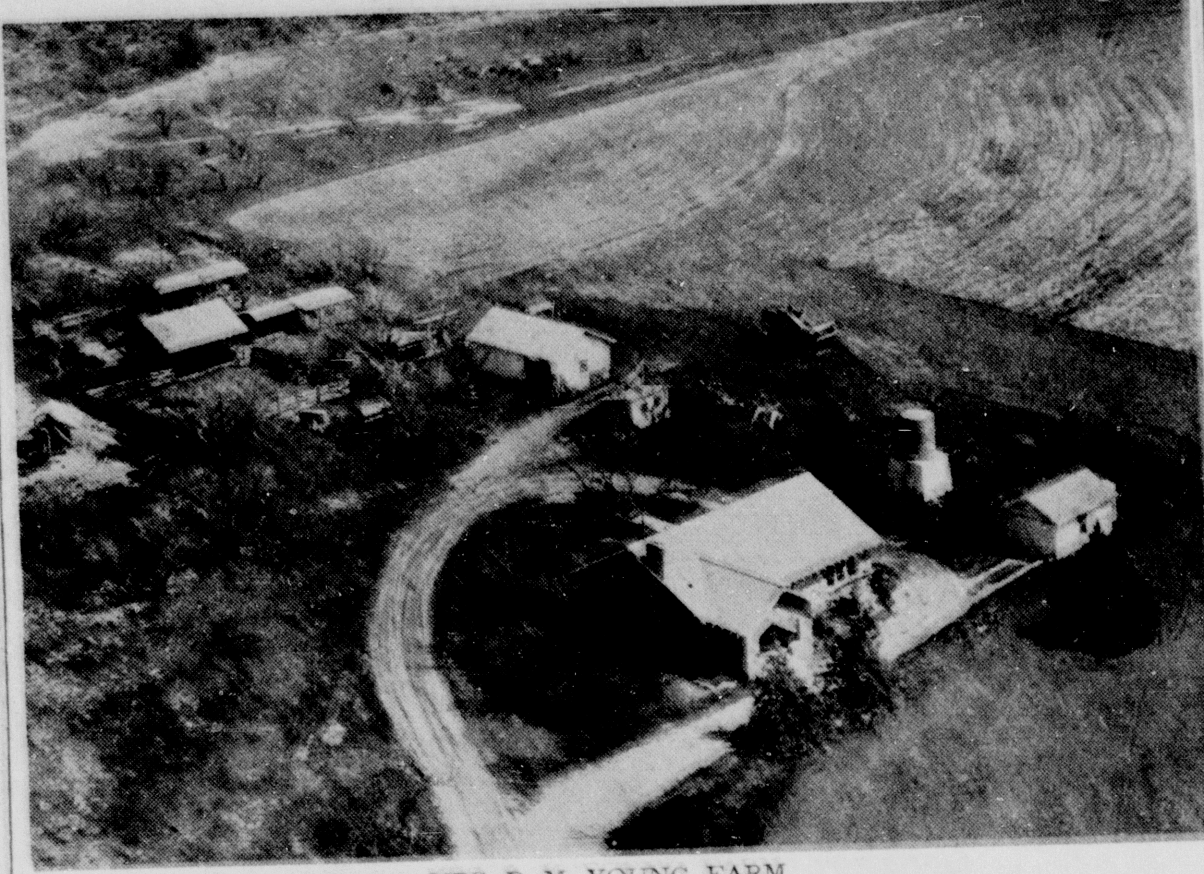

Sarah Carlton spent Wednesday night with her cousin, Carla Carlton, who lives east of Stamford.

W. C. Carlton has been quite ill at the Stamford Hospital with pneumonia. His daughter, Mrs. Virgil Rush, Mr. Rush and the two younger children of Casa Grande, Arizona, were called about his condition and arrived here Saturday. At this time he is improving.

His granddaughter, Mrs. Tommie Greenway, Mr. Greenway and children from New Mexico visited him and other relatives during the weekend.

Mrs. Rebecca Harwell visited with friends in Sagerton Thursday night in Stamford with Mr. and Mrs. Murphey Cantrell and also attended the football game there that night.

Mrs. Harwell and Mr. and

MRS. R. M. YOUNG FARM ... purchased in 1918

Mystery Farm Owned by Mrs. R. M. Young Sr. Located West of Hamlin

Mrs. Young mystery farm... was built in 1935.

The program of diversified farming is being carried out by Mrs. Young's son, Richard Young Jr. who has been farming the land for the past 10 years. Cotton, wheat, milo, sudan and forage sorghum are principal crops. He also feeds out Angus cattle on a small scale.

Mrs. Young, was the former Osie Wilcox. She and Mr. Young were married January 7, 1923, and lived on an adjoining place until their home was built that year on the home place. The present home

Shivers Claims Voters Subjected To Misinformation

AUSTIN—Former Governor Allan Shivers charged this week that Texas voters and public officials were being subjected to a "shrewd campaign of intimidation and misinformation" to keep them from supporting the Nixon-Lodge ticket.

Shivers is chairman of the statewide Texas Democrats for the Nixon & Lodge organization.

"Texas officeholders and nominees are being ordered to endorse the Kennedy-Johnson ticket in many counties," Shivers said. "Party officers are being told that they will forfeit their positions unless they actively support the ticket. This, of course, is not true."

Voters are being led to believe if they voted in the Democratic Primaries and have their poll tax receipts or exemptions stamped 'Democrat', they cannot vote for the Nixon and Lodge team on Nov. 8.

"No voter gave up his freedom of choice when he voted in the primary."

"Legally, a person may vote as he chooses. Morally, there is no obligation; the so-called 'party pledge' applies only to nominees of that party, not to the national nominees. Actually, we cannot afford to settle for second best in this election because of a party label."

The coalfish, valuable for food, is the green Pollack species found in the North Atlantic.

The Philippines were given their independence by the United States in 1946.

Hamlin Students Selected Members McMurry Chanters

ABILENE. — Two students from Hamlin have been selected to be members of the McMurry Chanters, mixed choir group, under the direction of Dr. Richard C. von Ende, chairman of the Fine Arts Department.

The 35-voice choir meets daily for hourly rehearsals of all types of music, including classical, romantic, modern, and calypson.

Plans are being made now for a three-day fall tour to the Dallas-Fort Worth area, Nov. 20-22.

Officers of the organization are Russell Parchman, sophomore student from Loving, N. M., president; Wendell Leatherwood, junior from Tucuman, N. M., vice president; Nancy Wilmoth, junior from Crane, Tex., secretary and Jerry Spurlin, sophomore from Fabers, Texas, chaplain.

Miss Wilmoth and Clarence Brady, associate professor of music, are accompanists for the aggregation.

The two students are Danny McCurdy, son of Mr. and Mrs. J. L. McCurdy who live at 4285 SW Ave. B and Ann Richey, daughter of Mrs. Jack Richey, Danny, formerly of Huntsville and Tyler participated in the Acapella Choir of both schools, choir for five years. She is a Ann participated in the church Science major.

British Honduras in Central America has a population of 79,000.

KNOW YOUR VOTING RIGHTS!

We feel that all legal voters of Texas should know...

No matter how you have ever voted ...

Or in which primary you voted ...

Or if you voted ...

Or how your poll tax receipt is stamped ...

You CAN vote for any candidate of any party on the November 8 ballot.

For Democrats who value the ideals and true aims of the Democratic Party, the only choice is Nixon and Lodge.

The operator of the mystery farm will receive a beautiful mounted enlargement of the original photo, if he will call at the Herald office.

NATURE FILM BOOKED ON DOUBLE-BILL AT FERGUSON

All too often, directors of nature films turn out movies that make the animals seem ridiculous. These movies, in which the animals seem to grossly parody human behavior, often make a lot of money, but it is distressing to many nature lovers to see animals so caricatured.

The International Scientific Foundation of Belgium set out to correct this impression by showing, in Cinemascope and DeLuxe color, the real life of animals in the teeming equatorial jungles and rolling grasslands of the Belgian Congo.

"Masters of the Congo Jungle," a 20th Century-Fox Release, is the result of this endeavor: it is the first full length film which attempts to give a

HAIL STORM—

Continued from page one

the storm and they are now predicting that only 1,500 more bales will be ginned. Before the hail and rain, the gin officials figured they would handle 5,500 bales, 2,200 more than the present estimate.

The Neinda Farmers Co-op Gin had processed 350 bales and since the storms are predicting they will handle 1,000 bales less than they had expected to gin. Earlier estimates were from 3,500 to 4,000 bales.

Russell said the loss in the 100 sections hit by the storm would possibly run as high as a million dollars with \$825,000 of this cotton and the balance damage to other farm crops.

Hamlin insurance agents say that claims here are averaging \$250 to \$300 based on 1,000 claims would put the insured damage between \$250,000 and \$300,000.

Apparently a small twister dipped into the Neinda area as Thursday's damage included six utility poles being knocked down and a barn owned by Hollis Madden being dismantled and scattered over a wide area. J. P. Hunt, who lives on the Madden place, was watching television when his house "just exploded."

Water was blown in through vents and other openings at Faith Methodist Church and ornamental stained glass windows of the First Methodist and First Baptist churches were damaged extensively in the Saturday afternoon hail.

An estimated 50 per cent damage to colored windows on the north side of the Church of Christ resulted in the Saturday storm.

Downtown merchants were plagued with water which seeped or was blown in through openings during the height of the heavy rain and hail.

Damage to Hamlin Public Schools was estimated at approximately \$4,000 by Superintendent C. F. Cook. Damage including screens being blown off and 16 broken windows in the primary building, 10 windows in the elementary building, 30 windows in junior high and ceiling damage occurred in several rooms in junior high and senior high.

Jones County Farm Bureau Elects Directors

Directors for the Jones County Farm Bureau elected recently at a meeting held in Anson included the following: Precinct 1, Sam Carnes, Plainview; Precinct 2, Frank Vasdek, Corinth; Precinct 3, Norman Sloan, Hodges; and Burl D. Walker, Funston; Precinct 4, T. R. Busby, and Clayton Dillard of Noodle.

Mr. and Mrs. Kenneth Martin, Mr. and Mrs. Troy Sloan and Mr. and Mrs. Clayton Dillard will represent the county at the state convention to be held in Dallas, Nov. 9-12.

Ten resolutions were also approved and will be forwarded to the state convention.

Cecil Sellers Heads Convention Committee for '61

Cecil Sellers of Hamlin has been named chairman of the 1961 convention committee to conclude arrangements for the meet which will be staged as a part of the annual Livestock Marketing Congress in Dallas June 21-24.

Assisting Sellers will be Floyd Snell of Iowa, Lee F. Carrell of Dahart; Gordon Bond of New Mexico and I. R. Brummett of Amarillo.

There is evidence that malaria fever contributed to the fall of the Greek and Roman Empires,

CITY COUNCIL—

Continued from page one

it should be taxed the same as other property.

The council approved signing the contract with Freese, Nichols and Andress for City Planning Services (Master Plan) calling for payment of \$7,450.00. There was some question concerning the payment plan offered by the company. The contract calls for the work to be completed within one year and half of the payment due then and half due two years from date of the contract. The council was under the impression that the second half was due two years after completion of the contract.

This is to be clarified before the Mayor is to sign the contract.

Approved turning over to an attorney for collections a list of delinquent taxes that are from three to 10 year in arrears.

The matter of supplying water to Sylvester and McCaulley was discussed by the council and it was decided that the communities would have to take their request to Stamford since Hamlin does not have the water to spare and the council did not believe they had the right to sell water to other towns. If Stamford agrees to furnish the water, the council will take up the matter later.

Actress Judith Anderson was born in Adelaide, Australia.

Foursquare Church To Start Revival Tuesday Night

Tuesday, October 25, will mark the beginning of a revival at Foursquare Gospel Church of Hamlin. Rev. Averett of Fort Worth will be the evangelist. Rev. Averett is a former minister of the second largest church in Oregon. Rev. D. L. McCamish, pastor, invites everyone to come

and bring a friend. Services are set for each night except Saturday.
